Panel Chairs of the ERC Peer Review Panels ERC Synergy Grants 2024

The Synergy grants evaluation is carried out in three steps, including interviews in the third step. At step 1 a single panel is formed. Around 80 carefully selected Synergy panel members and 5 chairs ensure a wide generalist approach to reviewing. In addition to Synergy panel members, members of other ERC frontier calls, called panel evaluators can complement the expertise of the step 1 panel. Right after the step 1 decisions, five multidisciplinary panels will be constituted. Each panel will have 15 - 18 members selected from the step 1 pool of Synergy panel members to best match the proposals in step 2 evaluation. At step 2 external reviewers will complement the generalist perspective of the Synergy panel members. External reviewers do not participate in panel meetings. They are scientists and scholars who bring in the necessary specialised expertise and deliver their individual assessments by electronic means. In step 3, the interview panels may be reconfigured.

Panel chairs of the ERC Synergy grant 2024 call:

Note to applicants:

This information is given for reasons of transparency. Under no circumstances should peer reviewers be contacted by applicants, potential applicants or potential host institutions. Please also note that ERC peer reviewers are bound to confidentiality during the evaluation and afterwards. Hence, they are not allowed to communicate about the evaluation and/or specific proposal(s) with the principal investigators or potential team members or persons linked to them even after the completion of the evaluation process.

The names of panel chairs are publicly available at the beginning of the evaluation. The names of panel members are published on the ERC website after the final results have been communicated to all applicants. The full list of ERC peer reviewers (panel members and external reviewers) will be published by the European Commission after the conclusion of the peer review process.
